## President's Remarks

Wow! What a year this has been. We all have had our lives turned upside down with Covid-19. As you know we had to cancel our two main fundraising events the annual Frank Caprara Golf Tournament and our annual Membership dinner. An amazing thing happened. You, our unbelievable members came through again with financial support for both events and we were able to stay close to our budget. I am not really surprised by this. You have year after year made this Foundation a success. This year we sent \$93,500 to 8 MSC Provinces to provide support to 80 seminarians. You should be proud of your accomplishments. The total since our inception in 1967 is in excess of \$2.05 million dollars. I want to thank all of you for your continued support. I also want to thank the Board of Directors and Honorary Council for their tireless efforts in making all of this happen. Our Board has continued to meet via zoom and now in person to make sure the Foundation stays strong. Their dedication is commendable. I also have to thank the face and voice of the foundation for many of you Sabrina Rizzo our Business Manager for her hard work and support. She is the one who answers all the telephone calls and sends out all of our correspondence and while you read this newsletter, I want to thank Sabrina who puts it all together for us. I hope and pray that we all will stay safe and that next year at this time the pandemic is just a bad memory. We still have a job to do and now more than ever we need your continued support. Thank You again for making the Sacred Heart Foundation a priority in your life. Many seminarians around the world are counting on us.

Sincerely,

A handwritten signature in dark ink.

### **From the desk of Fr. Richard Kennedy, MSC, Provincial Superior of the American Province of the Missionaries of the Sacred Heart**

As I write this, the coronavirus seems to be getting worse throughout the U.S., Canada, and the rest of the world. So even though I would like to visit the MSC's ministering in the Ogdensburg Diocese, the San Bernardino, California Diocese, the Allentown Pennsylvania Diocese, and our men in Colombia, South America, I don't see myself boarding a plane to travel in the near future.

But we MSC's continue our ministries in innovative as well as traditional ways to bring hope and moral strength to those people who look to us for inspiration.

I share with you what some of our men have told me. Fr. Simi Volavola, MSC, from Fiji, is finishing his first semester's work at Mundelein Seminary in Chicago. He'll be residing at our retirement community at Center Valley, Pa., through the Christmas holidays and holydays. Fr. Corneille Boyeye, MSC, from the Congo is still limited to two days a week ministry at St. Lawrence Psychiatric Hospital in Ogdensburg. There are still limitations on his ministry at Watertown Samaritan Hospital. But he is able to assist Fr. Demo with weekend Masses in Watertown. Fr. Adrian Budhi, MSC, hospital chaplain from the Philippines residing at our parish in Riverside, Cal., is recovering from recent surgery. Fr. Michael Miller, MSC, secretary at our General House in Rome, Italy, writes that COVID restrictions are again in place in Rome. Two MSC's on the general staff tested positive to the coronavirus, but they are now back to good health. Fr. Bernie Jakubco, MSC, retired in Florida, writes that he is still COVID free and is still able to celebrate Mass in the parish where he resides. Br. Warren Perrotto, MSC, reports from Fiji that travels are restricted there because of the COVID virus. The seminarians there are doing most of their studies on line. Fr. Hugo Lodoño, MSC, superior of our Colombian community, reports that we have presently eight college seminarians. They are studying by remote learning. Fr. Hugo, his assistant priest and our two theology students are presently staffing our parish in Ciudad Kennedy. But the pandemic continues to cause serious problems in Bogota and in Colombia.

Keep us all in your prayers. We pray for you. Our Lady of the Sacred Heart, pray for us!

## **Getting to know those YOU support**

Phanord Desinord is from the Dominican Republic. He tells us what attracted him to the Missionaries of the Sacred Heart "Many people around the world have committed suicide because of their thirst for hope. There are so many people who suffer inhumane living conditions who need comfort that goes beyond anything else. This situation challenges me and gives me this great desire to be for them the bearer of Christ, his message of hope and his love." Some of Phanord's hobbies include reading and scientific research. In his free time, he enjoys listening to music and watching football. Phanord is in his third year of theology.

Ricot Victal is also from the Dominican Republic. He tells us what attracted him to the Missionaries of the Sacred Heart "I want to be a Missionary of the Sacred Heart to bring my support in the propagation of the good news of Christ." Some of Ricot's hobbies include practicing and playing piano. In his free time, he enjoys listening to music. Ricot is in his third year of philosophy.

*Please keep Phanord and Ricot as well as all of our scholarship recipients in your prayers as they continue their studies. Thank you for all your support. It is through your donations that we are able to provide the financial support they need.*

### **Mission Statement**

*The Sacred Heart Foundation spreads the word of God by raising funds which provide financial assistance for the education of those studying to be priests and brothers of the Missionaries of the Sacred Heart anywhere in the world.*
