Vision Statement

The Sacred Heart Foundation is a team of volunteers dedicated to providing educational scholarships for the Missionaries of the Sacred Heart. We demonstrate effective stewardship and sound business and investment strategies in the receipt of donations, expansion of our donor base, and implementation of fund raising activities. In doing so, we will inform and educate the community with regard to the Foundation’s mission and goals. Building for the Future

Vocations to the priesthood and religious life are increasing in the overseas areas served by the MSC. Each year a large percentage of our scholarship money is used for the formation programs and seminary studies of students in the overseas missions.

Bishop Douglas J. Lucia
Guest Speaker
48th Annual Benefit Dinner

Bishop Douglas J. Lucia was born in March 17, 1963. He and his twin brother, their sister and their younger brother grew up in Altona, NY. He received a Bachelors of Arts from Wadham's Hall Seminary College in Ogdensburg, NY and a Masters in Divinity from Christ the King Seminary in East Aurora, NY. He was ordained to the Ministerial Priesthood at St. Mary's Cathedral in Ogdensburg, NY on May 20, 1989 by Most Reverend Stanislaus J. Brzana, DD, STD, Bishop of Ogdensburg. In his first assignment, Bishop Lucia served as parochial vicar at St. Patrick's Church in Watertown, NY. In 1990, he was sent to the Diocese of Alexandria Cornwall, Ontario, Canada for two years of service where he was parochial vicar at St. Columban's Church in Cornwall. Upon returning to the Diocese of Ogdensburg, Bishop Lucia became the parochial vicar at St. John the Baptist Church in Plattsburgh, N.Y. for three years. He was then assigned as a parochial vicar at St. Mary's Cathedral in Ogdensburg. He became the associate secretary of the Matrimonial Tribunal in 1996. From 1997 to 1999, he was assigned to study canon law at the Pontifical University at St. Thomas Aquinas (Angelicum) in Rome.

During the summer of 1998, he served as a parochial vicar of Holy Family Church in Watertown and worked part time for the Diocesan Tribunal Office. In 2000, he was appointed secretary to the bishop and in 2003 was named diocesan director of vocations. In September 2004, Bishop Robert J. Cunningham, then Bishop of Ogdensburg, appointed him as chancellor and episcopal vicar for Diocesan Services. In 2005, he was given additional responsibilities as diocesan director of seminarians. In June 2006, while retaining his diocesan responsibilities, Bishop Lucia was appointed pastor of St. John the Evangelist Church in Morristown and St. Peter's Church in Hammond with its mission of St. Patrick's Church in Rossie. In August 2008, the Bishop Lucia was appointed pastor of the Roman Catholic Church of St. Mary's in Canton where he served until June 2017. During this time period, he served as the episcopal vicar for worship as well as the adjutant judicial vicar. In 2017, he was appointed pastor of St. Mary's Church in Waddington and St. John the Baptist Church in Madrid and the judicial vicar of the diocese. He continued in his role of diocesan vocation director and director of seminarians. On June 4, 2019, Pope Francis appointed him to be the 11th bishop of the Diocese of Syracuse. As bishop of Syracuse, Bishop Lucia is the shepherd of over 220,000 Catholics who reside in seven counties of the diocese covering 5,479 square miles.

We are very proud to have Bishop Lucia with us.

September 2021

Dear Sacred Heart Foundation Supporters,

I am honored to serve as president of the Sacred Heart Foundation. It is a privilege to work with the Board of Directors and Honorary Council. Their dedication in helping the Sacred Heart Foundation is reflected in our ability to continue our mission of “*providing financial assistance to individuals studying to be MSC priests and brothers.*”

At this critical time when parishes are forced to consolidate and/or close due to shortages of priests, the Sacred Heart Foundation provides hope. Since its inception in 1967 with its first scholarship award of \$500, to the \$95,000 awarded in 2021, the Foundation has provided over \$2.16 million in scholarships. This is amazing considering this organization got its start, and still remains, right here in Watertown, New York.

There are various ways to support the Sacred Heart Foundation’s mission. Through estate planning, bequests, and leaving a legacy, a scholarship can be awarded in your name or the name of a loved one. This can also be accomplished through tax deductible donations or minimum required distributions from your IRA directly to the Foundation. Lastly, we have three fund-raising events including the annual membership drive in January, the golf tournament in June, and the annual dinner in September.

On behalf of the Board of Directors, Honorary Council, and our staff, we thank you, our supporters, and especially those who pay membership dues yearly. Your paid membership tells us that you are dedicated to our mission and want to be more involved. Through your continued support of the Sacred Heart Foundation you are investing in the education of the Missionaries of the Sacred Heart priests and brothers, who will be nurturing our faith in our children, and grandchildren.

Sincerely,

Daniel Villa

Dear Sisters and Brothers in Christ:

Joining the faithful from throughout our beloved North Country, it is with much gratitude and joy that I extend warm greetings to the Missionaries of the Sacred Heart and to the dedicated, faith-filled women and men of the Sacred Heart Foundation as you gather for the 48th Annual Benefit Dinner in Watertown.

This event is always a joy-filled celebration of the ongoing work of the Sacred Heart Foundation in helping to create a culture of vocations by providing financial assistance to men studying to become Missionaries of the Sacred Heart throughout the world. We are grateful to the women and men of the Foundation who host this dinner and we commend you for your commitment and generous support of the Missionaries of the Sacred Heart.

For generations, the Diocese of Ogdensburg has been richly blessed by the inspiring ministry of the Missionaries among us. We are especially grateful for their generous commitment to serve the faithful in this local Church. Our parishes and communities have benefited greatly from their pastoral presence and joy-filled witness. We continue to enjoy the fruits of the financial and prayerful support of this Foundation.

May the Sacred Heart of Jesus be Loved Everywhere! We pray that the Missionaries continue to be sustained in their evangelizing efforts through the love poured out from the Sacred Heart of Jesus. With all the people of the Diocese of Ogdensburg, I ask God's blessings upon the Missionaries of the Sacred Heart family of faith.

Faithfully yours in Christ,

Autumn 2021

Dear Friends and Members of the Sacred Heart Foundation,

Are we finally able to begin to emerge from the isolation created by the coronavirus over the past year and a half? Are our lives becoming more “normal” as we begin resuming our social activities? Or is the coronavirus going to continue “in the shadows” of our world’s people? We trust and pray that our faith in Jesus and our 21st-century knowledge of science and medicine will continue to help us live healthy lives.

In the meantime, our church and we continue our ministries and good works here at home and through our outreach to people throughout our world. The Sacred Heart Foundation continues to aid men throughout the world to become Missionaries of the Sacred Heart. People of goodwill everywhere desire to continue to devote their time, talent, and treasure to not only relieve suffering and injustice in the world, but to continue to spread the Good News that God sent His Son to redeem us through His life, death and Resurrection. And regardless of what happens in our world, we continue to trust that our God will continue to “give us this day our daily bread” and let us share that message of love with those of us who carry on the Mission of Christ.

May the Sacred Heart of Jesus continue to bless us all and keep us safe.

God bless you.

Sincerely,

Fr. Richard Kennedy, MSC

Scholarships for Years to Come

Over the fifty years of its existence, the invested assets of the Sacred Heart Foundation have continued to grow through donations large and small which have been carefully managed. Foundation assets now exceed \$4 million. The Sacred Heart Foundation Board takes its fiduciary responsibility very seriously and is very protective of these assets ensuring the Foundation can provide scholarships for years to come.

Each year the Foundation determines the amount of educational assistance to be provided by using a specific formula according to our by-laws. The formula uses a five year average of assets (to allow for market changes) multiplied by a rate of 5.8% (an average rate of return on investment) which equals the amount of money the Foundation can spend. Once this is established, the director proposes a budget of expenses, which is approved by the Board of Directors. Scholarships are the majority of this budget. The original founders of the Sacred Heart Foundation developed this formula to insure the perpetual life of the Foundation.

In 2021, the Sacred Heart Foundation has been able to award scholarships totaling \$95,000. These scholarships help to educate priests at a time when small communities are closing churches and/or offering fewer mass times. You can help to insure that there will be a Catholic Church for your children and grandchildren to attend by helping to educate priests through donations to the Sacred Heart Foundation.

Missionaries of the Sacred Heart Supported

by the Sacred Heart Foundation

The Sacred Heart Foundation spreads the word of God by raising funds which provide financial assistance for the education of those studying to be priests and brothers of the Missionaries of the Sacred Heart anywhere in the world.

On the following pages you will have the opportunity to meet the men who received Scholarship Society awards in 2021. Eighty-four awards totaling \$95,000 were distributed. All named scholarships receive at least \$1,000 for financial assistance.

Recipients are a diverse group of men, from different backgrounds. By nationality, they represent Colombia, Brazil, Cameroon, Dominican Republic, Fiji, India, Indonesia and the Philippines- in short, the world.

It is an honor, a blessing, and a source of joy to watch these men grow in faith, progress in their formation, and spread the love of Christ from their hearts to the world.

In **FAITH**, they represent the love of Christ to the communities where they reside. Thank you for your continued support that makes this possible.

Colombia

In addition to staffing Santa Margarita Maria Parish, which is located in a poor, working class section of Bogotá, MSC in Colombia are also involved in formation and provide direct assistance to the poor. The formation program (Casa Chevalier) is flourishing. As part of their formation, the seminarians studying at Casa Chevalier go on mission experiences to very remote areas in Colombia during their Christmas and Easter vacations. Seminarians also help manage the MSC farm, thereby helping to provide the food they eat.

The MSC have a long history of volunteering at Fundación Vida Nueva (New Life Foundation), which works with prostitutes and their children to help them break the cycle of prostitution. MSC seminarians teach catechism classes to the children there.

In 2008, the MSC Dominican Province had 54 religious members: 40 priests, 5 brothers and 9 professed students. It is a province that has gradually acquired their internal autonomy. Entirely dependent in the beginning on the Canadian province, and in 1964, certain powers were delegated by the Canadian Provincial Superior. Erected in pro-province in 1971, got an inner independence, while remaining dependent on Canada in terms of financial resources. When the province was declared in 1986 and entirely autonomous, Father Mark Plante, a Canadian, was its first Provincial Superior.

Pacific Union (Fiji)

The MSC Pacific Union is a section of the Society that is composed of a very large area of small island nations including Fiji, Western Samoa, Kiribati, Futuna, Marshal Islands and other islands in the Pacific. The Missionaries of the Sacred Heart first went to Kiribati (formerly known as the Gilbert Islands) in 1888, shortly after setting up the first foundation of Melanesia and Micronesia in Papua New Guinea in 1882.

India

Despite the fact that approximately 2% of the population in India is Christian, the MSC community is growing rapidly. The formation program in India consists of one year of intensive English followed by a year-long pre-novitiate program and then the Novitiate. After the Novitiate year, MSC students go to Bangalore where they study Philosophy for two years. The students then move to another house close to a Jesuit college where they pursue a secular degree in various areas like science, commerce, visual communication, arts, economics, history, etc.

Philippines

On December 12, 1908, eight Dutch MSC landed in Surigao. They took over from the Benedictine Fathers who were withdrawing from parish ministry. Their first letters show how impressed they were with country and people, with culture and religiosity, but also how overwhelmed by the amount of work that awaited them. But their only reaction was: we need more priests and brothers, as soon as possible. Over the years they would get them. Since 1908 they were followed by about one hundred eighty more Dutch missionaries. Progressively they were joined by more and more Filipino confreres; from the first ones in 1935 till the present time, one hundred and ten Filipino MSC priests were ordained. Filipino MSCs were sent as missionaries to Japan, the Marshall Islands, Brazil and the U.S.A. Regionally the Philippine Province has offered hospitality to MSCs from Indonesia, Papua New Guinea and the Islands of the Pacific who came for further study to the Philippines, and over the years it welcomed MSC seminarians from India, Korea and recently Vietnam.
