

# HEART TO HEART

Providing scholarships to individuals studying to be Missionaries of the Sacred Heart priests and brothers.

## Foundation Scholarships Awarded to Students in Seven Countries

Sacred Heart Foundation Board of Directors approved \$72,000 in scholarship awards for 2013 at its March Board meeting.

The Scholarship Committee reviewed applications from seven different countries on four continents. Forty-four MSC priests, deacons and seminary students will receive financial assistance.

The mission of the Sacred Heart Foundation is to provide scholarships for the training, education and maintenance of future priests and brothers of the Missionaries of the Sacred Heart. Funding can also be provided for appropriate continuing education for priests, seminarians and other religious members of the MSCs undergoing courses of training for academic, scientific, professional, and vocational education.

This year the Scholarship Committee and the SHF Board endorsed support of 40 MSC to attend a biennial Conference of Americas. The conference enables MSC superiors and formation directors to discuss and exchange issues related to formation of candidates. The outcomes of this conference will significantly affect how formation of candidates is accomplished in South and Central America. In other words, this meeting will impact how future MSC priests and brothers are educated and formed in their vocations.

Over the past 40 years, your foundation has distributed well over one million dollars.

### Congratulations, Deacon Frank Natale, MSC

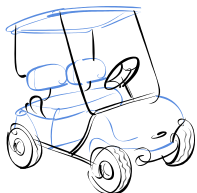

#### A product of your generosity

Frank Natale has consistently been supported by the Sacred Heart Foundation in his education and formation. His priestly ordination and first Mass are scheduled for June 29 and 30, 2013 in Canton Ohio.

# Grow The Endowment!

That could be the motto for the Planned Giving Committee of the Sacred Heart Foundation. We want to grow the assets of the Foundation by half a million dollars by the time we celebrate our 50th anniversary in 2017.

Our golden anniversary will celebrate the vision of the Foundation's founders to help men throughout the world pay for the education they receive on the road to religious and priestly life as a Missionary of the Sacred Heart of Jesus. We also hope in 2017 to celebrate achieving the *Heart of Gold* Campaign goal: "Grow the Endowment!" All growth in the foundation's assets will mean more scholarship dollars for deserving students.

You can make arrangements for a legacy gift to the Foundation with a single call. Your financial advisor or estate lawyer will see that the appropriate language for a gift is included in your will. It will require only a little effort on your part to think about the size gift you consider appropriate and representative of your support of the Sacred Heart Foundation.

The gift you plan today considers the needs of our world in the future. How many lives will be touched by your gift? How many souls will be directed to Jesus because you helped a young man learn how to spread the Good News of the Gospel to people in need and serve as a minister of His love?

Join with us to help these men follow God's call to ministry. Reach out to them through our *Heart of Gold* campaign.
