Foundation Prepares for 41st Annual Benefit Dinner

God's ways aren't always our ways, are they! The forty-first Annual Dinner of the Sacred Heart Foundation will be held at the Hilton Garden Inn on **Wednesday, September 17, 2014**. This will be the third year that the Hilton Garden has hosted the event. The Dinner Committee chaired by past Board member and Honorary Council member John Gaffney and his committee have been working on details since shortly after last year's event.

In previous editions of our newsletter and on our website and Face Book page, we announced that Fr. Frank Natale, MSC, would be the featured speaker. His education was supported for numerous years by you: our generous donors. Unfortunately, Fr. Natale was injured over the July 4th holiday weekend. He required surgery and his surgeon will not approve his travel plans from his California parish assignment to Northern New York.

So we move forward with plans for another speaker. Watch for an update on the website and Face Book page as we confirm the availability of another MSC scholarship recipient as our guest speaker.

Last year's dinner sold out, so we encourage you to order your tickets early. You may purchase tickets for the dinner from any Board or Honorary Council Member, by calling the Foundation office at (315) 782-3344 or with the order form below. Tickets are \$40 per person. and 50% of price supports the Foundation endowment fund. If you cannot attend, consider making a donation in lieu of a ticket purchase.

## SACRED HEART FOUNDATION ASSOCIATES PROGRAM

The rising cost of education for those wishing to become Missionaries of the Sacred Heart has always been an issue of serious concern. For many young men, funds to finance their education are just not available from their family.

Father Pierre Aubin, MSC and a group of community leaders from Northern New York recognized the impact scholarship support could have on vocations world-wide. In June of 1967 they founded the Sacred Heart Foundation in Watertown, New York as a Tax-Exempt Corporation whose purpose was then, and is today, to fund those scholarships.

### Where does the support to fund these scholarships come from?

#### Program Categories

The invested assets of the Foundation have grown over nearly five decades through donations large and small from our donors and from careful management of these donations. Foundation assets now exceed \$2.5 million. The Foundation Board takes its fiduciary responsibility very seriously and is very protective of these assets ensuring the Foundation can provide scholarships for years to come.

To recognize the extraordinary generosity of supporters of the Sacred Heart Foundation, the Directors established an Associates Program which consists of seven categories of donors.

The top category is the Scholarship Society. Its members have donated \$15,000 or more to the Foundation. In recognition of this donation level, scholarships awarded each year are identified with the donor's name or the name of a loved one as indicated by the donor.

## US Province Celebrates 75th Anniversary

This year marks the 75<sup>th</sup> anniversary of the establishment of the Canadian and United States communities of the Missionaries of the Sacred Heart (MSC) as a province in its own right. The threat of war in Europe added urgency to the transfer of governance to communities in the Americas.

OLSH Parish trustee Steve Elliott and Sr. Bernadette Collins, SSJ., Pastoral Associate, greet Fr. Mark McDonald at the parish-sponsored reception celebrating the MSC 75th Anniversary, June 21st.

The MSC had been present in Watertown since 1875, at that time the first community outside France. The missionaries established the Our Lady of the Sacred Heart Parish by 1878 and were joined by the Sisters of St. Josephs in 1881 to open a school.

The MSC take great pride in their status as missionaries and are mindful of being sent: "As the Father has sent me, so I send you" (Jn 20:21). Although they serve the poorest among us worldwide, they have been particularly active in Micronesia and Melanesia, the very last regions on earth to be evangelized.

There will be a number of events to commemorate the 75<sup>th</sup> anniversary. There was a celebratory mass on June 1<sup>st</sup>, a reception and open house, and a mass on July 19<sup>th</sup> with Father Mark McDonald, a Watertown native and the Superior General of the MSC, as celebrant remembering the late MSC Father Benoit Dostie.

Fr. Vincent Freeh, MSC, identifies priests who have served their parish to younger members of OLSH parish.
